Parents/Guardians,

Vandalia High School will be offering an after school program in September, 2018. We are officially giving this program a name... BOOM (Building Opportunities and Opening Minds). This will allow time for the students to get their daily work completed or near completion before leaving the building. It also provides more guided practice with the teachers.

We are excited to be able to offer an after school program during the school year. This program will consist of teachers from the district helping the students with the school work that they have been assigned. To maintain the number of teachers available, we are asking for a commitment to the program. **Transportation home will be the parent's responsibility.**

The program will begin on September 17th with service from 3:30-5:00pm Monday through Thursday. We will not meet on Friday. On Monday and Wednesday of each week students will be transported to the YMCA for recreation/fitness at 4:00pm. Students should be picked up at the YMCA at 5:00pm on these days. On Tuesday and Thursday of each week students should be picked up at the high school.
